

Project Title	One-Week Training on New Approaches for Services Trade Negotiations for CLMV Countries
Project Area	Trade Facilitation
Beneficiary Countries	Cambodia, Lao PDR, Myanmar and Viet Nam (CLMV)
Source of Funding	India
Approved Budget	USD 53,404
Project Description	<p>Training on the following topics:</p> <ul style="list-style-type: none"> i) Understanding the overview of Trade in Service, GATs, and scheduling of commitments in GATs. ii) Practical exercise on 'scheduling of commitments'. iii) Understanding domestic regulations in services sectors. iv) Understanding new approaches in service negotiations. v) Understanding e-commerce regulations and services as well as global value chains and services.
Objective	The training aims at capacity building of trade officers from CLMV countries in order to get them acquainted with new developments pertaining to services trade such as negative list, services participation in GVC, domestic regulations and trade facilitation in services. It is envisaged that the participation of CLMV officers in the one-week training programme will help them understand the nitty-gritty of the new issues and their relationship with services trade, thereby enhancing their negotiating skills.
Implementation Status	The training was conducted on 23–27 April 2018.
