### Project Description

**Activities:**
- Training of trainers;
- Interviews with SMEs using the Credibility Index for SMEs (CIS) local model;
- Data analysis of interviews and preparation of reports on Credibility Indexes in each CLV;
- Training on finance, accounting and writing business plan specifically for SMEs;
- Focus Group Discussion to review selected business plans;
- Post-assessment interviews in CLV;
- Data analysis of interviews and preparation of reports in each CLV.

**Outputs:**
1) Credibility Indexes for the concerned SMEs are identified;
2) Enhanced participants' knowledge and practical skills on writing business plan;
3) Written reports on training and post-assessment.

### Objective
To support the CLV to boost their economic potentials through enhancing SMEs' knowledge and skills on business plan writing with involvement of the Credibility Index for SMEs (CIS) local models in order to increase a number of SMEs accessing various sources of finance. This project is implemented by International School, Viet Nam National University, Hanoi.

### Implementation Status
