Consultancy for ASEAN Secretariat (ASEC) Pavilion at World Expo 2020 Dubai

1. BACKGROUND

- Expo 2020 Dubai is the largest exhibition event ever to be staged in the Arab world. This “grande” programme is part of the World Expo series which started in 1851. Expo 2020 Dubai is set to welcome 190 participating countries and millions of visitors from across the globe within six months, from 20 October 2020 to 10 April 2021 under the theme “Connecting Minds, Creating the Future.” It aims to build partnerships and inspire ideas that will forge the world of tomorrow through three sub-themes: Opportunity, Mobility and Sustainability.

- At the invitation of the UAE government, the ASEAN Secretariat will take part in this World Expo in Dubai. The ASEAN Secretariat will manage the ASEAN Pavilion at the Expo in coordination with relevant ASEAN entities and stakeholders. The 141.12 M² pavilion (16.8 meters x 8.4 meters) will showcase stories about ASEAN’s success and how ASEAN cooperation benefits its citizens and the world beyond. Further, it also consists of promotional space to highlight ASEAN arts, culture and identity to global audience.

- The ASEAN Pavilion will have for its theme “Creating Opportunities for the Peoples of ASEAN.” Its exhibition will have the following objectives:
  a) To show how ASEAN is building a community of opportunities by establishing regional platforms of cooperation to improve the lives of its people, increase their mobility and connectivity with each other, and ensure a sustainable future;
  b) To inspire visitors to adopt ASEAN’s value of unity in diversity, which is a core element of our regional cooperation and reflected in its pursuit of inclusive development, and
  c) To create experiences for visitors that will allow them to get a taste of the rich cultural diversity of ASEAN
To execute this project, ASEC, administered by Community Relations Division (CRD), is looking for a potential vendor/consulting agency to assist in contents creation and exhibition plan development of the pavilion. The required services include the provision of advice on design, production and procurement of items to be displayed inside the pavilion.

2. SCOPE OF WORK
For this project, the Vendor is expected to deliver the following activities:
