<tr>
<td><strong>Approved Budget</strong></td>
<td>USD 55,000</td>
</tr>
<tr>
<td><strong>Project Description</strong></td>
<td>Online delivery through a 'blended' virtual classroom comprising a combination of synchronous e-Learning (&quot;live&quot; videoconferencing/online lecture and interactive sessions with Q&amp;A segments, group discussions, quizzes and presentations) and asynchronous e-Learning sessions (independent and self-study of online modules, individual completion of assignments and assessments) on a web-based Learning Management System.</td>
</tr>
<tr>
<td><strong>Objective</strong></td>
<td>To narrow the gap of English language standards between CLMV countries and other ASEAN member countries that will allow for better communication and discussions among ASEAN countries and contribute to ASEAN integration.</td>
</tr>
