Subject : Notification Letter of Indonesian
           Competent Authority Revision

16 Desember 2020

Dear,
ASEAN Secretariat
Sisingamangaraja, 70A
Jakarta Selatan, DKI Jakarta

Following up the recommendation of The 30th Meeting of The Competent Authorities of The Framework Arrangement for The Mutual Recognition of Surveying Qualifications held on 19 November 2020, ASEAN Member States were requested to nominate their respective lead representative to the ACACS. Any amendment in the nomenclature of the Competent Authority as stated in Appendix I of the Assessment Framework Document for The Mutual Recognition of Surveying Qualification requires an official letter to the ACACS through the ASEAN Secretariat.

As stated in Appendix I of the Assessment Framework Document for The Mutual Recognition of Surveying Qualifications, Indonesian Competent Authority on Surveying Sector is National Coordinating Agency for Surveys and Mapping (Bakosurtanal). Since the issuance and mandate of Act No. 4 Year 2011 on Geospatial Information, the implementation of geospatial information is carried out by Badan Informasi Geospasial / BIG (Geospatial Information Agency) as substitute institution of Bakosurtanal. Therefore there was a transfer of Bakosurtanal’s duties and functions to BIG, including its representativeness as Indonesian Competent Authority on Surveying. Herewith I nominate BIG as Indonesian lead representative in ACACS.

Thank you very much for your kind attention.

Best regards,
