

WORK PLAN OF THE ASEAN PLAN OF ACTION TO PREVENT AND COUNTER THE RISE OF RADICALISATION AND VIOLENT EXTREMISM (2019 – 2025)

I. Background

An accumulation of experience over the previous two decades of efforts to curb the spread of radicalisation and violent extremism, among government officials and practitioners alike, produced a consensus that the latest terrorist threats must be addressed through an interdisciplinary, multi-sectorial, whole-of-government, and whole-of-society approach. Security-based measures through military and law enforcement channels, while still necessary, are by themselves insufficient. The 2015 UN Secretary General's Plan of Action to Prevent Violent Extremism emphasized prevention-based tools and a comprehensive approach to addressing terrorism, including through the development of plans of action at the regional and national level.

ASEAN has actively responded to this growing threat in recent years, announcing in the 2015 Langkawi Declaration on the Global Movement of Moderates that "moderation is a core value in the pursuit of long-lasting peace and a tool to diffuse tensions, negate radicalism, and counter extremism." It accounted that ASEAN would commit to enhancing cooperation to "drown out the voices of extremism." The ASEAN Political and Security Blueprint (2015-2025) set a vision for a community that "fully respects the different religions, cultures, and languages of our peoples, upholds common values in the spirit of unity in diversity as well as addresses the threat of violent extremism in all its forms and manifestations." The 2017 Manila Declaration introduced specific lines of effort for ASEAN Member States, such as taking steps to (1) prevent radicalisation, financing, recruitment, and mobilization of individuals into terrorist groups, (2) consider pursuing de-radicalisation in rehabilitation and reintegration programs as an alternative to punitive measures, and (3) undertake capacity building programs to educate youth and other vulnerable populations on the importance of moderation and the peaceful resolution of conflicts. The Manila Declaration, bold in its scope and urgent in its appeal, gave rise to the ASEAN Plan of Action to Prevent and Counter the Rise of Radicalisation and Violent Extremism (ASEAN PoA PCRVE), adopted at the 12th ASEAN Ministerial Meeting on Transnational Crime (AMMTC) on 31 October 2018. The ASEAN PoA PCRVE charted a course for action among ASEAN's institutions and to further strengthen the close cooperation among Member States in preventing and countering the rise of radicalisation and violent extremism.

II. Framework for the Work Plan

Objective: The objective of this Work Plan is to provide an implementation framework for the ASEAN PoA PCRVE, which will guide relevant ASEAN Sectoral Bodies/Organs/Entities in carrying out the necessary activities and monitor effectiveness in preventing and countering radicalisation and violent extremism which would contribute to a safe and people-centred ASEAN Community.

Activities in the Work Plan's priority areas have been designed with an eye toward the strategic plan or mandate of respective ASEAN Sectoral Bodies/Organs/Entities.

Strategy: The Work Plan is intended to be comprehensive and broad enough to be applicable to the needs of a diverse region. It also accommodates for activities to be tailored to address localized and context-specific factors that contribute to the problem of violent extremism. Activities should be evidence based, data driven, and aimed to reach out across many sectors, with a particular focus on populations or demographics who are vulnerable to radicalisation. As defined by the ASEAN PoA for PCRVE, the priority areas of the Work Plan include the following categories:

- (1) Prevention of Radicalisation and Violent Extremism, which aims to take an integrated and people-centered approach in engaging key populations, demographics,

and influencers to promote tolerance, dialogue, and grassroots initiatives to prevent the rise of radicalisation and violent extremism;

(2) Counter Radicalisation and Promote De-radicalisation, which seeks to strengthen existing mechanisms for addressing radicalisation through regular regional dialogue, increase cooperation and capacity building of relevant law enforcement agencies to share risk assessments and lessons learned, and enhance engagement with community leaders and social workers to facilitate reintegration processes;

(3) Law Enforcement and Strengthening National Legislation Related to Countering Radicalisation and Violent Extremism, which identifies gaps in implementation of regional counterterrorism frameworks, strengthens capacity of law enforcement to take proactive and preventative measures related to violent extremism, and seeks to harmonize national legislation with international counter-terrorism standards; and

(4) Partnerships and Regional Cooperation, which strives to expand and deepen the range of partners, both internal and external to ASEAN, whose expertise, tools, and resources can contribute to more effective solutions to the problems of violent extremism in South-East Asia.

Consistent with the UN Plan of Action (2015), the activities of this work plan build upon the following objectives:

- a. Promoting dialogue and conflict prevention;
- b. Strengthening good governance, human rights and the rule of law;
- c. Engaging communities;
- d. Empowering youth;
- e. Empowering women and promoting gender equality;
- f. Providing education, skills development, and employment facilitation; and
- g. Strengthening strategic communications, the internet, and social media.

III. Institutional Arrangements

a. Background/Rationale

As the author of the Manila Declaration to Counter the Rise of Radicalisation and Violent Extremism as well as the ASEAN PoA PCRVE, the Senior Officials Meeting on Transnational Crime (SOMTC) has traditionally managed ASEAN's work on transnational crime, to include countering terrorism and preventing violent extremism issues. Given the broad scope of issues that fall on SOMTC's mandate and the need to closely follow the implementation of the Bali Work Plan, a Multi-Sectoral Task Force (Bali Work Plan-MTF) will be established with the purpose of forming an executive-level, policy oversight committee to help ASEAN to coordinate the implementation of activities of the Bali Work Plan.

b. Responsibilities

The main functions of the Bali Work Plan-MTF will include the following:

- Lead the implementation of the Bali Work Plan;
- Develop strategies on how Members and relevant Sectoral Bodies/Organs/Entities can prioritize activities related to implementing the Bali Work Plan;
- Set and/or redirect priorities as necessary;
- Set and/or adjust performance indicators for the implementation of activities to be achieved in a set period of time;
- Work jointly to ensure multi-sectoral activities are well coordinated at the planning and implementation stages, including coordination of Dialogue Partner support;
- Report out on each other's implementation status;
- Address implementation challenges and recommend solutions;
- Prepare status and implementation report for ministerial-level bodies;
- Establish ad-hoc subsidiary body/bodies to address certain issues needing special attention; and

- Any other task deemed appropriate;

c. Membership

Members of the Bali Work Plan-MTF will be senior officials or representatives from pertinent Sectoral Bodies/Organs/Entities responsible for the implementation of the activities of the PCRVE Work Plan. The initial ASEAN Sectoral Bodies/Organs/Entities involved will include: ACW, ACWC, ADSOM, AICHR, ASLOM, DGICM, SEOM, SOMCA, SOMED, SOMRI, SOMRDPE, SOMSWD, SOMTC, SOMY, ASEAN-IPR, AF, AUN, SOM-MLAT and any other relevant Sectoral Bodies/Organs/Entities as appropriate.

d. Co-Chairmanship

The Co-Chair of the Bali Work Plan-MTF will be the Chair of the SOMTC Working Group on Counter Terrorism and a selected member of the MTF. The Co-Chair(s) of the Bali Work Plan-MTF will work closely with and be assisted by the ASEAN Secretariat to ensure multi-sectoral activities are well coordinated at the planning and implementation stages, including coordination of external parties' support.

e. Modalities

Bali Work Plan-MTF meetings will be held annually, however, special meetings and/or ad-hoc working group meetings can be established when deemed necessary.

f. Engagement with External Parties

Meetings of the Bali Work Plan-MTF may also include Open Sessions with external parties, such as Development / Dialogue Partners as well as cooperation partners such as UNODC, UNOTC and other international and regional organisations.

g. Reporting Line

To ensure consistency in ASEAN's broader approach on transnational crime, the reporting line of the Bali Work Plan-MTF is through SOMTC and to the AMMTC and the respective Ministerial Meeting of the participating Sectoral Bodies/Organs/Entities.

IV. Monitoring and Evaluation Strategy

Monitoring and Evaluation activity will be conducted on an annual basis to measure the success and the achievement of the Work Plan's indicators. Monitoring and evaluation activities are crucial to understanding whether the activities conducted are helping to achieve the objective and spirit of the Plan of Action. Realizing that unforeseen circumstances may occur during the implementation phase, monitoring and evaluation activities will enable Bali Work Plan-MTF to assess the challenges and shortcomings of Work Plan and provide flexibility to the Bali Work Plan-MTF to adjust activities according to political-security, economic, and social situations and conditions that may arise nationally and/or regionally.

The Bali Work Plan-MTF, with the support from the Chair of SOMTC WG on CT and the ASEAN Secretariat, will be responsible for managing the Monitoring and Evaluation strategy, particularly in the collection of the outputs outlined under the performance indicators, collection of official post-activity documents, analysing the progress of the activities outlined under the matrix and drafting annual reports on results of the activities. To ensure a successful monitoring and evaluation initiative, the Bali Work Plan-MTF will require the active participation of the entire relevant Sectoral Bodies/Organs/Entities, to provide adequate information and documentation pertaining to the activities under their purview.

The format of monitoring and evaluation reports will identify the following issues:

- Name of the relevant sectoral Bodies/Organs/Entities implementing the activity;
- PoA Priority Areas;

- Relevant ASEAN Bodies;
- Focus Areas of Activities;
- Indicative activities;
- Date of activities organised;
- Achievement of the performance indicators; and
- Assessment and recommendations.

V. Matrix of the Work Plan, as follows:

WORK PLAN OF THE ASEAN PLAN OF ACTION TO PREVENT AND COUNTER THE RISE OF RADICALISATION AND VIOLENT EXTREMISM (2019 – 2025)

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
1. Prevention of Radicalisation and Violent Extremism					
1.1 Promote an approach of moderation and tolerance in the maintenance of peace and security through, amongst others, encouragement of dialogue and conflict prevention;	SOMED, SOMY, ASEAN-IPR, SOMCA, AUN, ACW, ACWC, SOMS, SOMRI, AF	Activities that consolidate and promote the concept of moderation and tolerance including developing a culture of peace as means of preventing conflicts.	Consider creating a regional network of religious and civic culture experts to work with relevant ASEAN Bodies that deal with issues of tolerance and moderation	Updated list of experts, teachers, scholars, community, civil society organizations and moderate religious leaders maintained and organized.	
			Establish, if none exist already, interfaith councils, to promote norms of behaviour, mutual understanding, and tolerance		
		Activities to raise awareness and accelerate the promotion of moderation and tolerance in accordance with the ASEAN Langkawi Declaration on the Global Movement of Moderates to promote interfaith and intercultural harmony	Develop regional guidance for public outreach via conventional and social media to promote ideas of respect and tolerance	Regional guidelines on developing media and curriculum content for public campaigns to raise awareness and promote moderation, tolerance, human dignity, respect and a culture of peace	SOMED
			Develop curriculum content (especially in subjects pertaining to civic culture) in the education sector that promotes moderation,		

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
1.2. Strengthen good governance, human rights and the rule of law to prevent the rise of radicalisation and violent extremism;	ASLOM, ACWC, ACW, ACWC, AICHR, SOMSWD, SOMRDPE, ACCSM, ASEAN IPR, AF, DGICM	Activities that create fair working conditions for [Migrant Workers] [Workers], especially women, as means to prevent them from being radicalized	tolerance, human dignity, and culture of peace	Recommendations to encourage activities that creates fair working conditions for [Migrant Workers] [Workers]	AICHR
		Workshop to develop guidelines on protection of [Migrant Workers] [Workers] incorporating human rights principles and the rule of law			
		Workshop to share good practices on activities to create fair working conditions for [Migrant Workers] [Workers]			
		Workshop to create fair working condition for Migrant Worker especially women from being radicalized.	Regional Guidelines / Recommendations for Raising Civic Culture and Societal Awareness Among Migrant Workers	SOMSWD	
		Activities that aim to improve public service delivery and widen coverage of social protection programs as means to reduce poverty and reduce discontent towards the government.			Workshop to develop ASEAN Regional Minimum Standards for the delivery of Public Goods and Services.
		Workshop or seminar to develop ASEAN Guidelines on Public Service Delivery	Assessment Report and Regional Guidelines on Public Service Delivery	ACCSM	
		Best Practice and Innovation sharing among ASEAN+3 Countries	Publication on Practices and Lessons Learned in Preventing Radicalism and	AICHR	
Activities that facilitate a sharing and learning of experiences and	Consultation on a Human Rights-based Approach to				

PoA Priority Areas	Relevant ASEAN Bodies/Organizations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organizations/Entities
		practices among the ASEAN member states on the benefits of human rights grievances system	prevent and counter violent extremism in ASEAN	Violent Extremism through Human Rights Grievances Mechanisms	
		Activities that raise awareness of Human Rights-based approach to prevent and counter radicalism and violent extremism in ASEAN	AICHR Consultation on a Human Rights-based Approach to prevent and counter violent extremism in ASEAN	Recommendation on a Human Rights and Children's Rights-based approach to prevent and counter violent extremism in ASEAN	AICHR
			(1) Promote HRPE at national and regional levels, (2) building capacity of teachers and lecturers to teach human rights and peace, (3) develop courses on human rights and peace at the university level, (4) develop a regional graduate program on human rights (and may be peace), (5) set up a working group to develop the courses and program at higher education level, and (6) develop trainings for law enforcers and other professionals.	Human rights and peace education established in ASEAN Universities	AUN-HRE
		Activities to create capacity building programs with regards	Conduct research to identify capacity gaps among targeted	Recommendations on capacity gaps	ACWC

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
		to countering radicalisation and extremism building on human rights and children's right for government officials and security apparatus from the working level to practitioners	government officials and security apparatus from the working level to practitioners		
		Activities that raise awareness and encourage dialogue on the protection of victims and witnesses in addressing radicalism and violent extremism	AICHR Consultation on Victims-Oriented Protection to Prevent and Counter Radicalism and Violent Extremism	Recommendation on a Human rights based approach on Victims and Witness Protection of Radicalism and Violent Extremism in ASEAN	AICHR
		Activities to build government capacity to create relevant public campaigns and interventions in targeted vulnerable areas	Workshop to develop Regional Modules to Support Government Campaign on Promoting Development Goals in Vulnerable Areas	Regional Training Modules to Support Government Campaign on Promoting Development Goals in Vulnerable Areas	SOMRDPE
		Activities to equip government with information sharing platforms to assist with regional cooperation in creating access and opportunities to reduce grievances and feeling of isolation, especially in vulnerable communities	Workshop to create a regional network and to share best practices consisting of authorities that deal with immigration, labour sector, and education	Create regional network consisting of authorities that deal with immigration, labour sector, and education	SOMED
			Seminar involving civil society organizations on building initiatives for promoting human rights, peace and tolerance	Recommendation on building initiatives for promoting human rights, peace and tolerance	AICHR

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
		Activities that create more favourable conditions based on human rights principles and existing domestic laws of the countries for refugee and stateless people, especially women, as means to prevent them from being radicalized	Regional and national level seminars to develop principles on favourable conditions based on the rule of law and human rights principles and existing domestic laws of the countries for refugee and stateless people as means to prevent them from being radicalized.	Set of principles on favourable conditions based on human rights principles and existing domestic laws of the countries for refugee and stateless people as means to prevent them from being radicalized	AICHR
		Activities to identify strategy to improve information literacy among migrant workers on issues related to socio-political awareness and financial capacity	Develop training modules for training targeted to migrant workers on information literacy, rule of law, and financial management capacity	Training modules for training targeted to migrant workers on information literacy, rule of law, and financial management capacity	
		Activities on capacity building for state and non-state actors to understand linkages of human rights in PCVRE	Workshop on linkage human rights to PCRVE	Interpretation of ASEAN HR Declaration contextualization to VE	AICHR
1.3. Engage communities, particularly those communities vulnerable to prevent the rise of radicalisation and violent extremism;	SOMY, SOMED, ACWC, ACW, SOMRDPE, SOMCA, ASEAN IPR, SOMSWD	Activities that aim to widen opportunities and market access in the informal/formal economic sectors.	Seminar to widen opportunities and market access through developing capacity on entrepreneurship	Enhanced capacity on entrepreneurship in vulnerable communities, including provision of start-up capital and market linkages, including engagement with ABAC as the ASEAN entity for business communities	SOMED
			Activities to provide on the job training for TVET trainees to	Increase opportunities, including projects, for study in formal education, TVET and	SOMED

PoA Priority Areas	Relevant ASEAN Bodies/Organizations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organizations/Entities
			increase job satisfaction	alternative education with the support of business community	
		Activities to raise awareness against radicalization and violent extremism in higher education and counsel Out-of-School-Children and Youth (OOSCY) through informal education.	Activities to increase dialogue on interfaith and raising awareness and reading club against radicalization and violent extremism in higher education and counseling with Out-of-School-Children (OOSC) particularly in informal education	Provided recommendations for interfaith talks and awareness campaigns among vulnerable groups through NGOs and CSOs including community leaders	SOMED
			Conduct inter-faith dialogue and intra-faith dialogue and awareness raising for out of school children and youth (OOSCY) through informal education	Increased projects and opportunity to study more formal education and job security through TVET and alternative education with the support of business community	
		Activities to develop effective campaign against radical ideology among vulnerable communities specifically in reducing financial support for	Workshop to establish a strategy for intervention to create higher level of resilience in society to deny radical campaign	Policy recommendations for religious education and informal education	SOMED
				Strategic guidelines on community resilience to engage the particularly vulnerable communities particularly the vulnerable ones	SOMRDPE

PoA Priority Areas	Relevant ASEAN Bodies/Organizations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organizations/Entities
		radical and violent activities, in disrupting recruitment basis, and in denying safe-havens for terrorist networks in society	Workshop to develop a strategy to Address Socio-Economic Challenges among Radicalized Communities and/or Vulnerable Communities with participation of business community including ABAC	Development Strategy to Address Socio-Economic Challenges among Radicalized Communities and/or Vulnerable Communities with participation of business community including ABAC	SOMSWD
		Activities to raise media awareness and encourage their support in the public campaign against radicalization and violent extremism	Workshop to draft regional guidelines on developing media content for public campaign	Regional guidelines on developing media content for public campaign	
		Activities for communities and specific programs focusing on youth's families or populations that have a higher probability of being attracted to violence, such as poor families, religious converts, specific ethnic clans or groups, or those with existing familial connection with violent extremists or entities	Workshop to draft regional manual/module on providing livelihood, start-up micro-enterprise, or other income-generating programs and projects (entrepreneurial) for the communities to counter violent extremism	Regional manual/ module on providing and developing livelihood programs (entrepreneurial)	SOMY
		Activities that shall promote synergy among the state and private sector in fighting criminal activities, corruption, illegal drugs and violent extremism	Workshop on forging partnership with civil society organizations, and private sector to produce a combined effect in countering violent extremism, as part of corporate social responsibility.	Enhanced corporate social responsibility in countering violent extremism	

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
		Activities that would enhance state and non-actors' understanding on in linkages of human rights with PCRVE	Capacity building for state and non-state actors to understand linkages of human rights in PCRVE		AICHR
1.4. Empower youth and enhance their capacity to prevent the rise of radicalisation and violent extremism;	SOMY, SOMED, SOMCA, SOMS, ACWC, ASEAN-IPR, AUN	Activities to foster interfaith initiatives amongst primary/secondary schools, high school and university students on peaceful narratives and conflict transformation.	Conduct a series of Youth inter and intra faith dialogues and cultural exchanges among children and youth, and activities aimed at promoting respect for diversity. This may also include visiting sacred sites throughout Southeast Asia	Student messages on cultivating tolerance and respect in campus and school	SOMED
		Activities to understand conflict resolution models based on restorative justice among university students in the region	Disseminate lessons-learnt from restorative justice principles and instructions on peace talk model with culture of tolerance, peace, justice and diversity	Introduced models of peace talks as curriculum content for university students focusing on peace and stability in diverse community	SOMED SOMY
			Workshop on curriculum review to emphasize peace and conflict resolution in higher education		
	Add more extra curriculum activities like simulation talks, storytelling reflecting fostering culture of peace, mutual restraints, equity and equality.				

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
		Activities to enhance student awareness and sensitivity of socio-cultural and political diversity in the ASEAN region	Conduct regional workshop to gather students' perspectives (and aspirations) on how to build moderation based on respect of socio-cultural and political differences	Best practices and lesson learned of youth experiences on building moderation based on respect of socio-cultural and political differences	SOMED
		Activities to provide access to relevant and quality education for all in an effort to address drivers to extremism, such as issues that deal with marginalization, discrimination, poverty, inequality, unemployment, etc., responding to some of the root causes of violent extremism among the youth	<p>Conduct dialogue with students and educational institutions, particularly in the primary and secondary education, when most of the young are likely to start being radicalized</p> <p>Provide apprenticeship and internship programs as part and parcel of the employment platforms, build up the skills and capacities for training and other re-integration, social and welfare programs</p>	<p>Access to quality education and other services provided in combating some of the root causes of violent extremism</p> <p>Meaningful and productive undertakings provided for the youth to enhance their employability skills, and capabilities and unlock their competencies</p>	SOMY SOMED
		Activities to foster greater awareness and understanding of the principles of human rights and peace to prevent radicalisation and violent extremism	Conduct a series of youth debates	Youth awareness towards human rights principles and peace to prevent radicalisation and violent extremism	AICHR

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
		Activities to understand conflict resolution models among university students in the region	Promote curriculum activities that foster a culture of peace, mutual understanding, equity and equality, with community participation where appropriate.	Introduce models of peace talks as curriculum content for university students focusing on peace and stability in diverse community	AUN, AICHR
1.5. Empower women and promote gender equality to enhance the capacity, participation and leadership of women in the promotion of moderation and tolerance to prevent the rise of radicalisation and violent extremism;	ACWC, ACW, SOMED, SOMCA, ASEAN IPR.	Activities to promote gender equality and empower women to address local grievances and to alter radical narratives, especially among vulnerable communities	Mainstream gender perspective in all initiatives as a means of preventing violent extremism through capacity building initiatives.	Policy Recommendation on mainstreaming gender perspective in all initiatives as a means of preventing violent extremism through capacity building initiatives.	ACW
			Invest in gender sensitive research and data collection in order to develop evidence-based responses;	A research and data collection on gender sensitive in order to develop evidence-based responses.	ACW
			Nurture the capacity of women and civil society groups to engage in prevention of violent extremism and related response efforts, and ensure allocation of funds for resultant initiatives through		ACW

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
			training and/or workshop activities.		
			Build a gender sensitive strategy of development addressed to enhance good governance, combat radical ideology and promote the role of women as agents for peace	Recommendation formulated by Women Leaders on PCRVE in line with ASEAN Joint Statement on Promoting Women, Peace and Security in ASEAN	ACW
		Activities to identify paths to violence taken by radicalized family and women	Build family support system based on civic and moderate religious values to strengthen family institution as agent for peace	Regional Guidelines for family support system and manuals on strengthening family institution	ACWC
		Activities to encourage supporting systems for women on civic and moderate religious values (implied family matter)	Workshop to develop modules for gender mainstreaming (GMS) and gender sensitive strategy (GSS) in educating moderation and tolerance	Modules for GMS and GSS in educating moderation and tolerance	ACWC
		Activities to promote gender mainstreaming on preventing and countering the rise of radicalisation and violent extremism	Conduct a series of inter and intra faith dialogues and message building amongst prominent religious leaders across the region.	Best practices and lesson learned of gender sensitive strategy on building moderation and tolerance	ACW
1.6. Work with religious leaders and religious organisations to	SOMED, SOMCA, AF, ASEAN-IPR	Joint activities that foster inter-faith and intra-faith collaborations on providing peaceful messages among	Conduct regional workshop involving regional organisations on promoting	ASEAN Interfaith Dialogue on Building Tolerance and Civic Culture in Different Religious Communities	

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
promote moderation and tolerance;		faith-based communities and identifying religious passages that would promote tolerance	ideas of tolerance and peace among faith-based community		
			Conduct regional workshop involving regional organisations on promoting ideas of tolerance and peace among faith-based community	Need assessment on promoting peace and tolerance	SOMY SOMED
		Activities to promote civic initiatives such as faith dialogue among youth student organizations including non-religious groups (in line with 1.4) Plan to increase educative talks conducted by influential religious leaders through social media for peace culture	Student Forum and Summer Camp Programmes to foster civic initiatives on culture, tradition and belief system of respective religion among university students in SEA Promote joint research on influencing factors for radicalization and violent extremism among ASEAN Universities.	Regional Student Program for Salient Civic Initiatives Regional seminar on Research Findings of Radicalization and Violent Extremism of ASEAN	SOMED
			Conduct educative talk focusing on civic duty for student and youth clubs	Established student forum on diverse attitude and value of civic duty among ASEAN students	SOMED
1.7. Promote inclusive and equitable quality education that	SOMED, SOMY, AUN, ASEAN-IPR, SOMCA,	Activities that promote ideas of social inclusivity, and respect	Workshop to coordinate and consolidate knowledge gained from sharing experiences and practices, guidelines,	Compiled Training Modules on Peace and Tolerance Promotion in ASEAN Member States	SOMED

PoA Priority Areas	Relevant ASEAN Bodies/Organizations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organizations/Entities
promotes a culture of peace and non-violence, global citizenship, and appreciation of cultural and religious diversity;	SOMSWD, ASEAN-IPR	towards diversity through provision of education	modules, and principles developed in other priority areas.		
		Activities to accumulate knowledge gained from other priority areas (i.e. women, youth, religion, development) to improve content of education focusing on life skills development that are relevant with PCRVE purposes	Workshop to develop civic (and if possible, religious education) and peace education curriculum that emphasizes on social inclusivity and respect towards diversity	Curriculum to recommend on revitalizing civic and peace education and religious teaching	
		Activities to develop and promote educational content focusing on life skills development that are relevant to ideas of peace, tolerance, respect and development	Establish higher education network with education experts to disseminate experience of ASEAN Member	Regional principles and training on managing respectful dialogue and open discussion in classroom	SOMED
1.8. Strengthen strategic communications, including through the internet and social media to prevent their misuse by radicals and extremist proponents to pursue violent/extremist activities and	SOMRI, SOMED, SOMY, AUN, ASEAN-IPR	Activities to build social media resilience amongst vulnerable groups, particularly the youth and women, on preventing the misuse of social media for violent extremism, including activities related to awareness-raising among personalities/influencers from other forms of media since they also play an important role in countering violent extremism	Workshop to develop training plans on strengthening social media resilience to high school and university students Promotion of media and information literacy among internet/social media users	Training plans on strengthening social media resilience to high school and university students Workshops/Seminars and other activities promoting media and information literacy	SOMED AUN

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
promote extreme ideologies.		Cooperate with social media company to remove content related to on-line radicalization and recruitment for violent acts	Cooperate with social media companies to improve community standards against radical ideas, hate speech, and intolerance messages	Involvement of social media companies in various national-level initiatives.	SOMRI SOMTC
		Activities to enable sharing of best practices to engage community in deterring the spread of radical ideology and violent acts.	Regularly organizing regional forum on public-private partnership against radicalisation and violent extremism	Enhanced and improved mechanism on reporting sensitive content in social media for antiterrorism purposes	AF
		Activities to encourage a formation of regional networks for civil society organisations to promote counter-narratives against radical ideas and the culture of violence	Conduct ASEAN Track 1.5 Dialogue on Combatting Radicalisation and Violent Extremism	Recommendation/Regional Messages formulated by series of ASEAN Track 1.5 Dialogue on Combatting Radicalisation and Violent Extremism	SOMTC
1.9. Conduct research on the misuse of the internet and social media by violent extremists to encourage public private partnership with the business community and technology sector in promoting moderation and	SOMRI, SOMTC, AUN, ASEAN-IPR	Focus on working with social media industry on identifying role they can play in preventing the misuse of social media.	Commissioning on a voluntary basis social media companies to conduct research or study on the identifying the role social media in preventing the misuse of social media by violent extremist.	Involvement of social media companies in national media literacy efforts.	
				Research study and policy recommendations on use of social media in relation to violent extremism	
		Research activities to minimize risks of financial technology (fin-tech) for terrorist purposes	Conduct research on minimizing risks of financial technology (fin-tech) for terrorist purposes	Policy recommendation on denying financial technology (fin-tech) access for radical and terrorist networks	SOMTC

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
enhancing dialogue to prevent radicalisation and violent extremism.		Research activities to study the relevance of Internet of Things for Peace and Development purposes	Encourage public-partnership initiatives to produce research and disseminate study results	Research study and policy recommendation on expanding digital economy access to isolated and disadvantaged communities to reduce risk of being radicalized	
1.10. Conduct analyses, studies, and research on the factors, including the root causes conducive to the spread of radicalisation and violent extremism, and on measures to counter the rise of radicalisation and violent extremism in Southeast Asia.	AUN, SOMTC, SOMED, ASEAN-IPR	Research activities to understand root causes of radicalisation and paths to violence in different ASEAN member states	Organize research in cooperation with regional think tanks, universities and network of experts Coordinate findings and recommendations to better adjust specific topics of research relevant for policy and practical needs	Policy recommendation available for each ASEAN member state	AUN SOMED SOMTC
1.11. Develop early warning systems to prevent the rise of radicalisation and violent extremism.	SOMTC, AICHR, ASEAN-IPR	Activities to create smooth information sharing among respected authorities	Organize table top exercise on crisis management related to terrorism and radical extremism incidents	Table/Top Exercise and its relevant report published through ASEAN and national platform	SOMTC
		Activities to engage civil society and religious leaders in observing trends of radical ideas	Coordinate meetings among relevant national authorities/governmental agencies inviting representatives from civil	A forum for information sharing between authorities, civil society and religious leaders in observing trends of radical ideas.	SOMTC

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
			society and faith-based communities		
		Activities to coordinate and improve response capacity among law enforcement, social media companies, and societal leaders	Workshop to explore ways to improve coordination among law enforcement, social media companies, and societal leaders	Recommendation on ways to improve coordination among law enforcement, social media company, and societal leaders	SOMTC
2. Counter Radicalisation and Promote De-radicalisation					
2.1. Develop counter radicalisation programmes focusing on the community at large, as well as communities vulnerable to radicalisation and violent extremism by addressing the process of radicalisation, e.g. narratives, propaganda, and ideologies; grievances; and	SOMRI, SOMY, SOMED, SOMSWD, ACWC, AICHR, AUN, SOMCA	Activities to engage media professionals, research institutions, business communities and other entities together with victims in collaborative development of counter radicalisation programme in accordance with International Human Rights Law	Workshop to exchange promising practices on counter radicalisation programmes focusing on communities at large and vulnerable groups (in line with 1.3) by engaging religious leaders, (in line with 1.6), media influencers (in line with 1.8), and researchers (1.9 and 1.10).	Guidance and promising practices on counter radicalisation focusing on the community at large, as well as communities vulnerable to radicalisation and violent extremism by addressing the process of radicalisation through engaging religious leaders, (in line with 1.6), media influencers (in line with 1.8), and researchers (1.9 and 1.10).	SOMTC AICHR SOMSWD
			Capacity building for agencies responsible for undertaking counter radicalisation programme in community at large or vulnerable community	Strengthen the capacity for agencies that are responsible for undertaking de-radicalisation programme.	SOMTC

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
mobilization of radicals/extremists;			Forum sharing to develop guidance on counter radicalisation programmes on the community at large and vulnerable to radicalisation and violent extremism by taking into account the push and the pull factors in the ASEAN context (in line with 4.1).	A hub for media professionals, research, business and other entities in collaborative development to counter radicalisation programme	SOMTC
2.2. Develop aspects of de-radicalisation in rehabilitation and reintegration programmes as part of comprehensive measures to counter radicalisation, violent extremism and terrorism to ensure that extremist individuals are ready to reintegrate into society as well as to prevent relapse and recidivism	SOMTC, SOMSWD	Activities to strengthen the capacity of law enforcement officers on de-radicalisation and their engagement with the community on aspects of de-radicalisation and disengagement in rehabilitation and reintegration programmes as part of comprehensive measures to counter radicalisation, violent extremism and terrorism	Workshop to develop Guidelines on the role of parole officers or parole boards within the correctional services in forging partnerships with community members as part of the reintegration of former terrorist prisoners.	Guidelines on the role of parole officers within the parole board in engaging and partnering with community members as part of the reintegration of former terrorist prisoners.	SOMTC
		Activities on rehabilitation and reintegration for agency responsible for the treatment of terrorist inmates in prison for aspects of radicalisation.	Workshop to develop a handbook for capacity building (in line with 3.5) on aspects of de-radicalisation and disengagement in rehabilitation and reintegration programmes as part of comprehensive measures to	Handbook on aspects of de-radicalisation and disengagement in rehabilitation and reintegration programmes as part of comprehensive measures to counter radicalisation, violent extremism and terrorism	SOMTC SOMSWD

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
			counter radicalisation, violent extremism and terrorism		
			Workshop to develop promising practices for capacity building in line with 3.5 on aspects of de-radicalisation and disengagement in rehabilitation and reintegration programmes as part of comprehensive measures to counter radicalisation, violent extremism and terrorism	Promising practices on rehabilitation and reintegration programmes as part of comprehensive measures to counter radicalisation, violent extremism and terrorism.	
				List of resources on rehabilitation and reintegration programmes as part of comprehensive measures to counter radicalisation, violent extremism and terrorism.	
		Provide gender-sensitive disengagement, rehabilitation, reintegration and counselling programmes for persons engaged in violent extremism and ensure the availability of medical, psychosocial and legal service support for victims, including victims of sexual and gender-based violence.			
2.3. Promote the process of reconciliation among violent extremists and victims through restorative justice and other initiatives,	AICHR, SOMTC	Activities to enhance awareness on the process of voluntary reconciliation among violent extremists and victims through restorative justice and other initiatives, as appropriate.	Forum sharing experiences particularly from justice sectors (in line with 3.4 and 3.5) on the process of voluntary reconciliation among violent extremists and victims through restorative	Promising Practices on the Process of voluntary reconciliation among violent extremists and victims through restorative justice and other initiatives, as appropriate.	SOMTC

related activities and terrorist financing			recruitment and incitement purposes	UNSCR 2396 (2017); UNSCR 2178 (2014); UNSCR 1624)	
3.3. Support the full and effective implementation of the ASEAN Convention on Counter-Terrorism (ACCT) and the ACPoA on CT to complement and reinforce global and national efforts to counter radicalisation and violent extremism.	SOMTC, ASLOM, DGICM, SOMSWD, SOM-MLAT	Focus on full implementation of measures related to extradition, mutual legal assistance, information sharing, and cross-border cooperation.	Workshop to identify weak areas of ACCT and ACPoA implementation; organize discussions among the appropriate ASEAN Member States around these weak areas	Instances of successful resolution of terrorist-related cases between two or more ASEAN members in accordance with ACCT	SOMTC ASLOM SOM-MLAT
			Workshop to develop guidelines based on good practices that have occurred among ASEAN Member States related to extradition, mutual legal assistance, information sharing, and cross-border cooperation		
3.4. Strengthen the capacity of law enforcement as well as of the police, prosecutors and judges to detect, deter, investigate, prosecute, and adjudicate cases related to radicalisation and violent extremism.	SOMTC, ASLOM, AICHR	Focus on building capacity in the justice sector to process terrorism-related cases in a manner that is distinct from other criminal cases, including being able to identify when alternatives to prosecution should be considered and pursued.	Hold regional and country-specific trainings for judges, prosecutors, and police on handling terrorism-related cases based on good practices by law enforcement actors in ASEAN and elsewhere	Member states consider and pursue alternatives to prosecution for violent extremist offenders when appropriate.	SOMTC ASLOM
			Broaden the range of tools available to judicial sector actors to deal with terrorist offenders, radicalized	Steps taken by member states to prevent radicalization in the prison setting	

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
			individuals, and members of terrorist groups		
3.5. Strengthen the capacity of correctional service officers to provide services, counselling and mentoring as part of de-radicalisation, rehabilitation, and reintegration programmes for terrorist prisoners and detainees.	SOMTC, AICHR	Focus on sharing and implementing good practices within the region for handling terrorist inmates and detainees.	Hold 'train-the-trainers' workshops for ASEAN Member States for correctional service officers, based on the Rome Memorandum for Rehabilitation and Reintegration of Violent Extremists	Development and dissemination of training manual for correctional officers on de-radicalisation, rehabilitation, and reintegration programmes	SOMTC
			Develop network of de-radicalisation and rehabilitation practitioners working in the prison setting, drawing in supporting actors from civil society, family members, religious leaders, among others	Extent to which ASEAN members can appropriately distinguish terrorist prisoners and detainees from the general prison population (handling, treatment, association, etc.)	
3.6. Establish, where possible, a national coordinating mechanism within the criminal justice system as well as relevant security apparatus to counter radicalisation and violent extremism.	SOMTC, AICHR	Focus on improving coordination among criminal justice actors and security entities on terrorism and violent extremism-related issues, with the aim of dissuading would-be terrorists, preventing terrorist attacks, and stopping the cycle of radicalisation.	Produce model charters for national coordinating mechanisms within the criminal justice sector, to include "prevention" actors as members.	Ratio of relevant ASEAN members who have functioning national coordination mechanisms.	SOMTC
			Workshop with ASEAN Member States on establishing a national	Guidelines on national coordination mechanisms within the criminal justice	

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
			coordination mechanism within the criminal justice system and relevant security apparatus	system and security apparatus to counter radicalization and violent extremism	
3.7. Strengthen sharing of information and intelligence among security agencies regionally to prevent and counter radicalisation and violent extremism.	SOMTC, AICHR	Focus on streamlining and systematizing information flow among national security agencies within the region on radicalisation and violent extremism issues.	Establish formal information sharing networks among security agencies, where none exist, to exchange intelligence and other information	Instances when intelligence and security agencies worked with regional counterparts to take action on a radicalisation & VE issue.	SOMTC
			Where such networks and mechanisms already exist, improve timeliness of information sharing, particularly on actionable intelligence (accelerate declassification procedures, create SOPs for how, when, and with whom to share information)	Networks among security agencies have been institutionalized to facilitate information sharing.	SOMTC
3.8. Strengthen cooperation amongst border control agencies, to include identifying fraudulent travel documents	SOMTC, DGICM, ADSOM, AICHR	Focus on improving cross-border cooperation on movement of known or suspected extremists, including improving access to international biometric databases	Expand border control agencies' access to INTERPOL and other related databases with biometric information on known and suspected extremists	Increased numbers of ASEAN member states that are connected to INTERPOL or other biometric databases for identifying known or suspected terrorists	SOMTC DGICM
			Work with INTERPOL and other entities to conduct trainings with border control	Development of training materials for border agencies on cross-border coordination, identification of fraudulent	SOMTC DGICM

			<p>agencies on identifying fraudulent documents and accessing international biometric databases</p> <p>Hold workshops with border control agencies to improve cross-border coordination where the travel of extremists or foreign terrorist fighters may be suspected</p>	documents, and dealing with suspected terrorist cases.	SOMTC DGICM
3.9. Strengthen cooperation amongst ASEAN Members States in conformity with their respective domestic laws, for the purpose of rendering extradition and mutual legal assistance related to cases of radicalisation and violent extremism leading to terrorism, including, through other forms of international legal cooperation	ASLOM, SOMTC, AICHR, SOM-MLAT	Focus on enhancing cooperation on mutual legal assistance and extradition requests and terrorism cases that require two or more ASEAN members to coordinate legal assistance on violent extremism.	<p>Identify specific national actors who would be involved in terrorism-related extradition requests and mutual legal assistance requests; ensure these individuals have updated contact information for relevant counterparts in CRVE units/offices</p> <p>Workshop to “exercise” a scenario where an extradition request is made to one or more countries to stress test the process and identify areas for improvement</p>	Development of Standard Operating Procedures for how extradition requests are processed within ASEAN Member States on radicalization and violent extremism cases.	ASLOM SOMTC SOM-MLAT

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
3.10. Strengthen protection to law enforcement officers, including correctional services officers, in the course of the performance of their duties, guaranteeing the safety of their lives and families	SOMTC, AICHR	Focus on increasing the knowledge of police and correctional service officers in interacting appropriately with known or suspected terrorists, maintaining principles of human rights	Support ASEAN Member States in establishing a referral mechanism where police departments and correctional facilities can take action to extend protection to staff and families if their lives are threatened by violent extremists	Development of guidelines on the protection of law enforcement and correctional officers	SOMTC
				Production of handbook for confronting or interacting with known or suspected terrorists	
4. Partnership and Regional Cooperation					
4.1. Strengthen engagement and partnership with civil society, non-governmental organizations, academics, think-tanks, religious leaders, and the media in preventing and countering radicalisation and violent extremism;	All sectoral bodies pertaining to [this April 4-5 meeting]	Encourage the involvement of civil society, and non-governmental actors to participate in regional efforts to prevent and counter radicalisation and violent extremism and focus on taking an “outward-facing” approach to ASEAN’s PCRVE efforts	Increase the engagement of members of civil society, and non-governmental actors to ASEAN and Member State consultations discussing PCRVE issues	ASEAN PCRVE consultations to involve relevant civil society and non-governmental leaders.	SOMTC
			Identify and consolidate partnerships with civil society and non-governmental “champions” on the PCRVE issue and find creative ways to broaden their reach without undermining credibility	Civil society and non-governmental activists and leaders speak out online and in public settings more frequently on PCRVE issues	SOMTC
			Partnership between ASEAN and UNODC strengthened as	Networking to enhance the engagement and partnership with civil society.	SOMTC

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
			a result of increased engagement and exchange on PCRVE issues		
4.2. Strengthen collaboration and cooperation with ASEAN Sectoral Bodies and, across ASEAN Political-Security Community, ASEAN Economic Community, ASEAN Socio-Cultural Community, ASEAN-led mechanisms such as the East Asia Summit, ASEAN Plus Three, ASEAN Regional Forum, ASEAN Defence Ministers Meeting – Plus, ASEAN Inter-Parliamentary Assembly (AIPA) and sub regional initiatives in a comprehensive manner to prevent and counter radicalisation and violent extremism	SOMTC, All sectoral bodies pertaining to [this April 4-5 meeting]	Focus on launching and sustaining the Bali Work Plan - MTF, CRVE MTF-Support Group, and secretariat as a mechanism to strengthen coordination with ASEAN Sectoral Bodies and other relevant stakeholders in ASEAN through consistent senior-level oversight and management of the CRVE issue	Bali Work Plan - MTF identify members and hold inaugural meetings	Bali Work Plan - MTF have regular meetings where agenda items are substantive, timely, and decision oriented	SOMTC
			Bali Work Plan - MTF to meet regularly to troubleshoot challenges, determine if issues need to be raised to higher levels, and provide ongoing information sharing within ASEAN	Bali Work Plan - MTF serves as a central “node” within ASEAN for working-level implementation of CRVE Work Plan and information sharing	SOMTC

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
4.3. Strengthen collaboration with ASEAN Dialogue Partners, including relevant international organizations in preventing and countering radicalisation; and violent extremism, based on shared responsibility	All sectoral bodies	Focus on identifying specific issues for discussion with one or more Dialogue Partners, as well as UNODC and other relevant international organizations. Focus on collaboration being underpinned by specific requests, issues for resolution, or challenges	Bali Work Plan - MTF and the ASEAN Secretariat representatives meet with UNODC, Hedayah, and representatives of other international organisations to discuss specific issues based on challenges identified	ASEAN and International Organisations increase information sharing on radicalisation and violent extremism issues	SOMTC
			Series of meetings to establish a networking on PCRVE	ASEAN Member States, Dialogue Partners, and other relevant organizations have meaningful and issue-based exchanges on real areas of need relative to PCRVE	SOMTC
			Series of meetings to establish a networking on CRVE	Partnership between ASEAN and relevant regional and international organizations strengthened as a result of increased engagement and exchange on CRVE issues	SOMTC
4.4. Strengthen collaboration with the ASEAN Institute for Peace and Reconciliation (ASEAN-IPR) as the ASEAN institution for research activities on peace, conflict	All relevant ASEAN Sectoral Bodies/Organisations/Entities	Focus drawing on ASEAN-IPR's research expertise and networks to stay current with the evolving radicalisation and violent extremism landscape in Southeast Asia, including key drivers, trends in recruitment, and future risks			

PoA Priority Areas	Relevant ASEAN Bodies/Organisations/Entities	Focus Areas of Activities	Indicative Activities	Expected Outputs	Lead Sectoral Bodies/Organisations/Entities
management, conflict resolution, and post-conflict peace building where all relevant stakeholders can build networks and promote concrete activities to contribute towards regional efforts in preventing radicalisation and violent extremism		Focus on encouraging dialogue among bodies/organs on issues related to peace and human rights, including violent extremism	Series of AICHR-ASEAN-IPR dialogues	Establish platform of dialogue and learning for human rights and peace as it relates to violent extremism	
			Research activities identified by ASEAN-IPR in relation to the rise of radicalisation and violent extremism	Issues flagged by ASEAN-IPR are discussed, when appropriate, at meetings of the CRVE MTF and CRVE MTF-Support Group	

ASEAN Sectoral Bodies/Organs/Entities Involved in Implementing the PCRVE Work Plan 2019-2025

1	ACW	ASEAN Committee on Women
2	ACWC	ASEAN Commission on the Promotion and Protection of the Rights of Women and Children
3	ADSOM	ASEAN Defence Senior Officials Meeting
4	AICHR	ASEAN Inter-Governmental Commission on Human Rights
5	ASLOM	ASEAN Senior Law Officials Meeting
6	DGICM	Directors-General of Immigration and Heads of Consular Departments of Ministries of Foreign Affairs
7	SEOM	Senior Economic Officials Meeting
8	SOMCA	Senior Officials Meeting on Culture and the Arts
9	SOMED	Senior Officials Meeting on Education
10	SOMRI	Senior Officials Meeting Responsible for Information
11	SOMRDPE	Senior Officials Meeting on Rural Development and Poverty Eradication
12	SOMSWD	Senior Officials Meeting on Social Welfare and Development
13	SOMTC	Senior Officials Meeting on Transnational Crimes
14	SOMY	Senior Officials Meeting on Youth
15	ASEAN-IPR	ASEAN Institute for Peace and Reconciliation
16	AF	ASEAN Foundation
17	AUN	ASEAN University Network
18	ACCSM*	ASEAN Cooperation on Civil Service Matters
19	AIPA*	ASEAN Inter-Parliamentary Assembly
20	SOM-MLAT**	Senior Official Meeting on Mutual Legal Assistance Treaty

*The involvement of ACCSM and AIPA was proposed during the ASEAN Cross-Sectoral and Cross-Pillar Meeting to develop the Work Plan of the ASEAN Plan of Action to Prevent and Counter the Rise of Radicalisation and Violent Extremism (2018 – 2025)

**The involvement of SOM-MLAT was proposed by ASLOM on their feedback on the PoA Priority Areas 3.3 and 3.9
