

Project Title	Basic English Language and Communication Skills
Project Area	Education
Beneficiary Countries	CLMV
Source of Funding	Singapore
Approved Budget	USD 441,716 (for 6 courses of English Language Programme under FY 2018/2019)
Project Description	The trainings are targeted at the CLMV government officials to help build up their English language proficiency.
Objective	To narrow the gap of English language standards between CLMV countries and other ASEAN member countries that will allow for better communications and discussions among ASEAN countries and contribute to ASEAN integration.
Implementation Status	The training is being conducted on May 2018-February 2019.
