

Project Title	Ease of Doing Business: Dispute Resolution Mechanisms
Project Area	Enabling Action
Beneficiary Countries	MV
Source of Funding	Singapore
Approved Budget	USD 38,500
Project Description	This course will present Singapore's legal framework for the adjudication and solution of commercial disputes. Participants will be introduced to both commercial and procedural laws applicable to commercial disputes.
Objective	This course aims to provide training to CLMV countries to incorporate good regulatory practices which they are already adopting, and match them with strong legal and judicial practices and systems. It will contribute towards the development of useful systems in CLMV countries that will support the attainment of legal and judicial excellence and facilitate integration with the systems of other ASEAN countries.
Implementation Status	The trainings were conducted on 3-6 April 2018 and 3-6 July 2018.
