3. Technical and Financial Assessment or Evaluation

We will evaluate the bids received in the light of both technical and price considerations (see the attached **Technical Evaluation Grid as Annex 2**).

The technical proposals will be evaluated based on the criteria and weighting as Annex 2.

When the technical evaluation has been completed, the financial proposal of those bidders which are eligible from the technical point of view will be opened and evaluated by the commercial officer responsible. The technical and financial proposals are weighted at a ratio of 70:30 respectively. The technical bid will be weighted with 70% and the financial proposal with 30% on the basis of the following formula: (Technical points obtained by Bidders X divided by the best number of points) x 70 % + 30 % x (Lowest price divided by the price of Bidders X).

Technical evaluation of bid x 70% + most economical bid x 30%
Technical evaluation of best bid price of bid

An overall order of rank is thus established, with the most cost-effective bid at the top. 500 point is the minimum obtained score for passing technical evaluation

GIZ shall have rights to invite the bidder for the presentation as part of the technical evaluation if required.
